"I've witnessed the total devastation of HIV and AIDS in sub-Saharan Africa... I've met too many brave and beautiful children who are struggling to care for their sick parents or their orphaned brothers and sisters. Many children infected with HIV will not live to see their 15th birthday. Sub-Saharan Africa's AIDS crisis not only has tragically and needlessly claimed lives, it has created a generation of orphans. I hope to draw more attention and funding to this crisis."
